## North Ridge Farms 2009-2010 Board Members

### Chairman

Gordon Marcy  
222.8187

### President

Felicia Clause  
333.4741

### Vice President

Debra Abukwaik  
265.0109

### Treasurer

Colleen Banaszak  
265.1970

### Secretary

Andrea Cseh  
265.0064

### Architectural Review

Renee Turner  
222-0536

### Events Planner

Jackie McLanahan  
225.5851

*If you should have any questions,  
ideas and/or considerations,  
please contact anyone of the  
above officers for assistance.*

email addresses.

## Spotlight Family The Middleton's

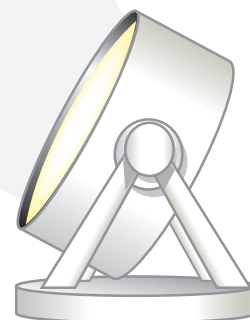

We have lived in North Ridge Farms for eight years. We moved to Louisville fourteen years ago from Raleigh North Carolina. Cathy is originally from Tioga which is a small town in north central Pennsylvania. She was born in Elmira, New York. A general Dentist by trade, my wife recently sold her private practice and is now adjusting to life as a stay at home Mom. I am originally from Fredericksburg Virginia. I have been a licensed pilot for 27 years and make my living flying jets for UPS.

We have two children. Our oldest child is named William A. and he is almost eight. His younger sister is named Reese and she is almost five. Both of our children were born in Louisville and are officially natives. Like most parents with young children Cathy and I stay busy keeping up with the kids activities. Currently William A. is in a chess club, takes piano lessons, and is a second year cub scout. Reese takes ballet lessons,

gymnastics, and generally does whatever her older brother does.

As far as hobbies go, Cathy's first love is reading. She generally reads 3-4 books per week and never seems to get enough. As for me, I enjoy flying our 65 year old antique airplane which we have owned since before we were married. For those who are not aware, there is a small grass runway that adjoins the school property next to our subdivision. When the weather is nice I frequently fly the airplane over from Bowman field and land at Jeffries Farm. The Jeffries Farm runway has been there for more than 30 years and certainly has been a bonus for us since moving into North Ridge Farms.

*"North Ridge Farms is a restriction protected community striving through its association to protect the integrity and beauty of the neighborhood."*

## Neighborhood Babysitters

Breann Heid (16)  
Danielle Heid (15)  
4545 NR Circle  
265-0332

Kim McElhinny(17)  
Taylor McElhinny (15)  
4604 NR Circle  
225-0830

Rachel Roup(14)  
4505 NR Circle  
222-8792

Lauren Brady (16)  
4705 NR Drive  
222-5509

Kellie Sulzle (16)  
552-4973

## Neighborhood Pet Sitters

Rachel McLanahan  
225-5851

Lauren Brady  
4705 NR Drive  
222-5509

Kamilla Bentsen  
222-6144

Jillian Taylor  
222-8222

## Need Yard Help?

Josh  
265-1200 or 640-8840

Michael Roup  
222-8792

# ARE YOU INTERESTED IN CURBSIDE RECYCLING SURVEY? (this is not a vote)

*A suggestion by a North Ridge homeowner, Helen Graffy, prompted the board to look into alternative trash collection companies that offered curbside recycling. Here is what we found out:*

Industrial Disposal offers the following...

- Weekly trash pick-up for a monthly charge of \$12.30 (cart provided)
  - Bi-Weekly curbside recycling for a monthly charge of \$4.50 (cart provided)
  - Must call in for large items to be picked up (1 item per week)
  - Yard waste must be in 4' x 6" bundles
- Per Industrial Disposal, we can't have recycling pick-up without trash pick-up.

*Please e-mail your positive and negative responses by March 1. We want to know!*

### A message from Helen Graffy:

"How much of your garbage can be recycled? I challenge you to look! You might be surprised. Even though our kids

are grown and gone, David and I still manage to produce as much recyclables as we do garbage. Mind you, up till now recycling meant going to Buckner and dropping off bags of cans, bottles, cardboard, newspaper etc. into dirty, smelly, bee-infested bins. And guess what, lots of people do that. Maybe you do it too. Consider how much better it would be if we could put the recyclables out curbside for pick-up.

Please consider recycling to be a conscious choice to do the right thing. Just for starters: recycling one aluminum can saves enough energy to run a 100-watt bulb for 20 hours, a computer for 3 hours or a TV for 2 hours (EPA 2008). Glass never wears out and can be recycled forever. Each of us uses approximately one 100-foot tall Douglas fir tree in paper and wood products per year (EPA 2008). Please take the time to give this your attention. Think of this as an invitation to join your neighbors in doing the right thing."

## Happy Valentine's Day!

**Dinner Divas!**  
*Ladies! Come join us!*

**Date:** Wed., February 17th

**Time:** 6:30 p.m.

**Place:** The Red Pepper Cafe (on 329)

**R.S.V.P.:** Jackie McLanahan  
225.5851
